

Sabine River Authority of Texas

Gulf Coast Division

Job Description

Branch: **Operations**

Job Title: **Equipment Oiler**

Duties and Responsibilities:

- Must have the ability to do manual work as required: operating a chain saw, weedeater, mowing equipment, power tools, and any other work required to complete an assignment.
- Must have a working knowledge of heavy equipment such as, excavators, bull dozers, skid steers, tractors, and dump trucks.
- Must have the ability to safely lift, carry and handle objects weighing at least 75 pounds waist high at frequent intervals.
- Must have the ability to swim.
- Must have dependable transportation.
- Must have the ability to wear safety-toed foot wear and all other forms of personal protective equipment.
- Must have the ability to work outdoors most of the time, often under adverse terrain conditions and exposure to such climatic and environmental conditions as heat, cold, rain, snakes, and insects.

Education, Experience, and Other Requirements:

- Must be a high school graduate or GED equivalent.
- Must have one year experience in the operation and maintenance of heavy equipment; excavators, bull dozer, skid steers, tractors, and dump trucks.
- Must have a valid State of Texas driver's license and be insurable under the Authority's automobile insurance policy.
- Must be able to obtain a Commercial Driver's License within six months of employment.
- Must be able to understand and follow oral and written instructions in English.
