Questions asked during/after Terry's presentations:

1. Do trend graphs represent all sites or one individual site?
2. Wildlife was mentioned as bacteria source. Does that mean feral hogs?
3. Where is lead in Big Cow Creek coming from?
4. What is the source of fish consumption advisory on Toledo Bend?
5. Was the Lake Tawakoni water level dropped for SH276 bridge construction?
6. What is done during a recreational use attainability study?

Question asked during/after Mary's presentations:

1. Have there been any changes to drought triggers?
2. Who are SRA's water customers?
3. Did you implement the drought plan in 2010-2011?
