

**Sabine River Authority of Texas**

**Public Announcement**

**March 17, 2020**

The Sabine River Authority of Texas (SRA) continues to monitor the current situation regarding the COVID-19 (coronavirus) by adhering to Federal, State, and Local guidelines and taking necessary precautions. The SRA will continue to implement prudent practices that will help keep our employees and customers safe. We anticipate no interruptions to water, wastewater, and water quality monitoring operations. While our offices and facilities will remain open, we will be limiting public interaction and practice social distancing as much as possible.

Should you need to do business with someone at our facilities, we ask that you call prior to your arrival. Some site-specific protocols may temporarily alter normal operations. Please contact the specific division office as listed below for further information:
