

## **Request for Proposal Engineering Services Master Service Agreements (RFP#25-002).**

The Toledo Bend Project Joint Operations is soliciting a response from qualified persons or firms to provide engineering services to the Toledo Bend Project Joint Operation and enter into 5-year service agreements. TBPJO is seeking firms with experience in aspects of engineering to support the Toledo Bend Joint Operation (TBPJO) dam, spillway, and powerhouse operations of the TBPJO facilities and be pre-qualified on the engineering service list approved by the Board of Directors.

For the Proposal to be accepted, the proposal must be received in one of the following manners no later than **5:00 p.m. CST on June 06, 2025**. Proposals received after this time will be rejected and returned unopened.

- (1) **Electronic Transmission.** Email transmission to [purchasing@sratx.org](mailto:purchasing@sratx.org). Emailed proposal submissions shall be an attachment, in a Portable Document Format (PDF). Proposals shall be clearly identified in the Subject line as follows: **Request for Proposal-Engineering Services Master Service Agreements (RFP#25-002)**.
- (2) **Mail-In or Hand Delivery.** Mailed by commercial carrier, overnight or express mail, or hand delivery of one sealed clearly identified original signed paper copy submission may be accepted by the Purchasing department or other designee up to the proposal submission deadline contained in the solicitation at address below.

Authority General Office  
Sabine River Authority of Texas  
12777 State Highway 87  
Orange, TX 77632
