

TEXAS Watershed Steward

Orange, TX

Workshop provided through Clean Water Act §319 nonpoint
source grant funding from the TSSWCB and U.S. EPA

The Texas Watershed Steward program is a free, educational workshop designed to help watershed residents improve and protect their water resources by getting involved in local watershed protection and management activities.

**October 21, 2021:
8:00 am - 12:00 pm**

Orange County Convention and Expo Center
11475 FM 1442
Orange, TX 77630

In-Person & Virtual Attendance Options Available
Preregistration Required

The workshop will provide an overview of water quality and watershed management in Texas, including a discussion on the Sabine River basin and local bayous. Efforts by the Sabine River Authority, and best management practices local stakeholders may use to help improve and protect their water quality, will be highlighted. Free continuing education credits/CEUs offered for a wide variety of professional disciplines. For a complete list of continuing education offered, or to register, visit our website or call the number below.

Pre-register for the workshop by going to:
