

SAVE THE DATE

The Sabine River Authority of Texas (SRA-TX) has scheduled a virtual Sabine River Basin Steering Committee meeting for April 28, 2021 from 9:30 -12:30 to review the Draft Sabine River Basin Big Cow Creek Watershed Characterization Report 2020 for the Texas Clean Rivers Program (TCRP). These meetings allow stakeholders to have an active role in water quality monitoring in the Sabine River Basin.
